From Me to You (C)

```
C                            F              C
I wrote you a letter cuz you weren't here today
      F               C          D7                 G
And I missed you very much and I had some things to say
  C                             F               C
I borrowed mom's computer and I wrote from her account
           F             C          G                  C
And if you didn't know before, well now you'll have no doubt

G
Cuz I wrote:
(same as verse form)
TSdv dsad kad bhjdvd 21g127 iwqueg8219 e 219e e o2e h2oe 29
And I didn't have no help, I wrote that by myself

I put a T before an S and the rest just kind of flowed
Those letters came like water, filling up row after row
I typed for ten straight minutes and I told you how I felt
And I think I said I love you, but I'm not sure how it's spelt

Cuz I wrote:
Sdkjfdbaskj ff as fbkjafd w d w 989d9d! cje fc8*djskD
And I hope you know that's true cuz it's how I feel about you

Well, I hope you like the message cuz that's what I had to say
I could've written more, but mom took her pc away
I put my whole self in it and the effort was complete
And I mean that literally cuz I wrote parts with my feet

Yes I wrote:
Dscjahb kjla jdlifcakjj 382 3293 jhv VKhh K,B kj HSDKVBKC
And that's from me to you!
