

Yballul (C)  
capo 4

Chorus:

F C  
Go to sleep my little angel  
Let the night just drift into your eyes G  
C C7 Fsus4 F  
You've been running all day, looking for another adventure  
C G C  
Ease your weary head, lay yourself down for a while  
F C  
You've been at it all day, ever since the sun rose this morning  
F C (G)  
Grabbing this world and pulling it hard by the tail  
C C7 Fsus4 F  
Chasing down your dreams, now let em come and chase after you  
C G C  
You'll wake up tomorrow with a good, strong wind at your sail

Chorus

There's a million different thoughts running all around in your head now  
A million different things another new tomorrow could bring  
Put em all to rest, you'll pick em up again in the morning  
When you open your eyes, another new day will begin

Chorus

C G F G C F G C  
Ease your weary head, lay yourself down for a while
