Let me tell you something, brother, I've been there

A7 D RIFF
Have you ever been jealous? I know how you feel

Have you ever had a sister or a brother who's ill?
Have you ever wished that you could be the one with the pills?
Have you ever had a brother or a sister who's sick?
Did you wish you could switch so you'd get more gifts?
Have you ever kinda wished you could be someone else?
I know how you feel, I've been there myself

Chorus

Envious, covetous, and dissatisfied
Moping around with the big green eyes
Resentful, unhappy, bitter and mean
Feeling so angry that you want to scream
Dragging around a great big gripe
Listen up sister, I know what that's like

Chorus
