Home when I hold you dear

Home in your daddy's arms tonight

Home when I hold you near

You're safe in your daddy's arms  
Safe when I hold you tight  
Safe when your daddy holds you close  
Safe all through the night

You're loved my sweet, so loved  
Loved as you can be  
There's more love for you darling  
Then water in the sea

You're home when I hold you honey  
Home when I hold you dear  
Home in our loving arms tonight  
Home when we hold you near
