

## What is a Leader? (G) – Capo 3

Music & Lyrics by Alastair Mook ©2020 Mookshake Music

### *Chorus:*

What is a leader?  
What does a leader do?  
What is a leader?  
What does leading mean to you?

	G		C				
	G		D				
	G		C				
	G	D		G		G	

If a leader walked into the room  
Would you know it right away?  
What would they look like? What would they talk like?  
What would a leader say?

	C		C		
	C		C		
	D		D		
	D/		...		

### *Chorus*

Who are the leaders you've heard of?  
Where did you learn their names?  
Does a leader need to be famous?  
Can you lead if you don't have fame?

### *Chorus*

Is a leader a man or a woman?  
Are they LGBTQ?  
What color would their skin be?  
Could a leader look like you?

### *Chorus*

Should a leader do what they're *told* to do  
If what they're *told* to do's not right?  
If a leader sees a wrong somewhere  
Should they run or stay and fight?

### *Chorus*

*Chorus (Could a leader be... you?)*
