

Go Shine (Song for Elm) (G) – capo 4

Music & Lyrics by Alastair Moock ©2020 Moockshake Music

You are who you choose to be
When you choose to be who you are
The world may be confused by you
But you know who you are

That face there in the mirror
Has the sleep wiped from its eyes
As the sun rises, so do you my dear
Go shine, go shine

You are who you choose to be
When you choose to be who you are
The world's not quite like it used to be
Thank God we've made it this far

But this journey's just beginning
And your finding your own way
I'll follow right behind you
Whatever road you might take

Instru

Here's my vow to you, I'm so proud of you
And I will be for all of my days
Astounded and amazed by you
You're a rocket, you're ablaze

You are who you choose to be
When you choose to be who you are
This world is yours to move and change
To shape with your hands and your heart

That face there in the mirror
Doesn't need to wear a disguise
As the sun rise-s, so do you my dear
Go shine, go shine, go shine
